Subject: RE: CI2-HCI Station-Location Selection Memo to EPA ready for final assembly

I will not be able to meet that deadline. I doubt Dan will either. It will be at least late this week before I'm able to crack it open. More likely next week.

Sorry

Subject: RE: C12-HC1 Station-Location Selection Memo to EPA ready for final assembly

**CORRECTION**—A three(3) station plan! Surprise-surprise!

DAbranovic reminded that the OU2 schedule shows 5-days for Agency review—Under the

circumstances, I don't know whether we can meet that, but I'll be checking with Wendy & Dan to see if/how we proceed.
